

Preface

This Environmental Statement (ES) has been prepared in support of an application under Section 36 of the Electricity Act 1989 for the development of Spittal Hill Wind Farm at Spittal, Caithness.

The ES includes a Non-Technical Summary (NTS), which provides an “executive summary” of the statement and its findings which are presented in a non technical manner. The Environmental Statement comprises the following 3 documents:

- Non-Technical Summary
- Environmental Statement
- Technical Appendices

The ES may be viewed at the following locations during the statutory consultation period:
